SPEAKERPROFILE

Freedom to contribute. Confidence to thrive.

Visionary thinker
Founder of Younited

When people hold back, teams lose ideas, connection and momentum.

FREEDOM / HUMAN POTENTIAL

Mark Goudie is a visionary thinker and founder of Younited. His work explores the conditions that keep people holding back, from fear and self-doubt to the expectations tied to identity and success. Through speaking and conversation, he shares a distinctive understanding of freedom and human potential, connecting it with how we live, relate and work together.

KEYNOTE THEMES

01 **Freedom Beyond Fear**

Recognising how fear shapes decisions, keeps ideas unspoken and limits what people attempt.

02 **Confidence Without the Conditions**

Exploring self-worth beyond approval, comparison and the pressure to prove ourselves.

03 **Freedom to Do Your Best Work**

Looking at the self-doubt and expectations behind hesitation, overthinking and the pressure to perform.

04 **Beyond Success and Failure**

Separating personal worth from outcomes so people have more room to learn, contribute and act.

05 **Freedom to Connect**

Creating room for honest conversations, different perspectives and a stronger sense of belonging.
